CRIMINAL APPELLATE JURISDICTION

CRR 3163 of 2022
with
CRAN 1 of 2022

In the matter of: Nurjamal Sekh @ Nurjaman Sk.
... petitioner

Mr. Pritam Roy
Mr. Abhijit Singh
... for the petitioner.

Petitioner has challenged the judgment and order dated 14.03.2022 passed by the learned Additional Sessions Judge, 2nd Court, Purba Burdwan in Criminal Revision No.63 of 2021.

I find from the records of the case that the said revisional application was instituted against the judgment and order passed by the learned Judicial Magistrate, 2nd Court, Katwa, Burdwan in connection with Misc. Case No.56 of 2012.

The foundation of the order which was affirmed by the sessions court was on the gross salary of the petitioner/husband being ₹41,111/-. The quantum of maintenance awarded was ₹7,000/- for wife and ₹3,000/- for minor son.

Having regard to the facts which have been scrutinised by both the judicial magistrate and by the revisional court, I am of the opinion that there is no scope for interference until and unless new circumstances surface for alteration.

If the circumstances arise, petitioner would file application under Section 127 Cr.P.C., the learned magistrate would dispose of the same in accordance with law.

With the aforesaid observations, CRR 3163 of 2022 along with the connected application is disposed of.

Pending application, if any, is consequently disposed of.

All parties shall act on the server copy of this order duly downloaded from the official website of this Court.

Urgent certified copy of this order, if applied for, be supplies to the parties upon compliance of all requisite formalities.
