Re: CAN/2/2022
in
CO/2601/2012

Both parties are not represented.

It appears that the original civil revisional application being CO/2601/2012 was dismissed for default by passing an order by this Court on 30th June, 2022. Against the said order of dismissal the present application is filed.

There is no reason to keep alive this application in the list.

Accordingly, CAN/2/2022 filed in connection with CO/2601/2012 is dismissed for default.
