**WPA 16317 of 2009

**v.
The State of West Bengal & Ors.**

None for the parties.

This writ petition was preferred seeking a direction upon the concerned school authority to take steps for holding election for constitution of the Managing Committee of the school prior to 30th November, 2009

I am of the considered view that by efflux of time, the writ petition has become infructuous and the same is, accordingly, disposed of

There shall, however, be no order as to costs.

Urgent certified photocopy of this order, if applied for, be supplied as expeditiously as possible.
