v.
The State of West Bengal & Ors.

None appears for the parties.

Seeking a direction upon the respondents to recast the panel declared for the post of Group-D staff in Harbhanga High Madrasha. The panel was prepared on the basis of an interview held on 21st January, 2019.

I am of the considered view that by efflux of time the writ petition has become infructuous.

Consequently, the writ petition is dismissed.

There shall, however, be no order as to costs.

Urgent certified photocopy of this order, if applied for, be supplied as expeditiously as possible.
