-versus  
The State of West Bengal & Ors.**

**Mr. Debabrata Sen,  
Mr. Arun Kumar Das.  
...For the Respondent No.7.**

Affidavit-of-service filed in Court today is taken on record.

The petitioners seek implementation of the order passed by the Haldia Municipality on 7<sup>th</sup> August, 2018.

It appears that the Municipality considered the allegation of unauthorized construction raised by the petitioners and after hearing the parties concluded that the 7<sup>th</sup> floor of the building was unauthorized, to be demolished by the owner.

It has been submitted by the learned advocate appearing for the private respondent and the Municipality that the order has already been implemented and the 7<sup>th</sup> floor has been demolished.

The petitioners rely upon a report of the Sub-Assistant Engineer dated 9<sup>th</sup> July, 2018 and a portion of the order passed by the Municipality on 7<sup>th</sup> August, 2018 and submit that the 6<sup>th</sup> floor is also illegal and liable to be demolished.

According to the Municipality, it is only the 7<sup>th</sup> floor that was illegal and not the 6<sup>th</sup> floor.

If the petitioner is aggrieved by the order passed by the Municipality, then the petitioners ought to approach the competent forum for relief. The Municipality appears to have complied with the order passed by the Municipality.

No further order can be passed in the instant writ petition.

The writ petition stands disposed of.

Urgent certified photocopy of this order, if applied for, be supplied to the parties expeditiously on compliance of usual legal formalities.
