Mr. Amit Ghosh

... for the IOCL

None appears for the petitioner at the time of call.
No accommodation has been prayed for either. These writ petitions are of the year 2014.

The writ petitioners have prayed for a direction upon the respondents to take a decision for retiral benefits after regularizing the service of the petitioner as a permanent staff on the ground that they have been rendering services uninterruptedly for a long period of time.

Since the petitioners are not represented today, the writ petitions stand dismissed for default. Interim orders, if any, stand vacated. Consequently, the connected application, if any, also stands dismissed for default.
