

Item No.4
13.09.2023
Court. No. 19
GB

C.O. 3201 of 2023

Subhasis Das
Vs.
Puja Das (Nee Bera)

Mr. Arindam Paul

...for the Petitioner.

The petitioner presses hard for hearing of this application on certain grounds which include the resistance of the wife in allowing treatment of the minor child.

However, this Court does not find from the record that any orders, adverse to the interest of the petitioner, has been passed.

It is submitted that the father has fixed an appointment of the child at Chennai and the mother is refusing to take the child to Chennai.

This Court has not found any document which shows that the child was being regularly treated at Chennai. In any event, an application has been filed before the learned court below, which the learned court below is yet to dispose of. The learned court shall dispose of the pending application urgently.

This order shall not be construed as a decision on the merits of the application which is pending before the learned court below.

It is apparent that the child is living with the mother and the prayer before this Court to direct the mother to send the child to Chennai, is not tenable in view of the application which is pending before the learned court below.

Accordingly, the revisional application is disposed of.

Urgent photostat certified copy of this order, if applied for, be given to the parties on priority basis.
