CRR 3879 of 2023

In the matter of : Ibrahim Sk & Anr.
... .. Petitioners

MS. KARABI ROY
Ms. Papiya Naskar

Mr. Santanu Chatterjee
... PETITIONER
... for the State

The petitioner is aggrieved by the factum of warrant of arrest being issued.

According to Id. Advocate for the petitioner, the petitioner was granted anticipatory bail. He surrendered and he was granted bail. However, due to pandemic, there was lack of communication between the Id. advocate for the petitioner, as such, consequently, the petitioner was unable to track the dates before the Id. Magistrate. As such warrant of arrest was issued.

From the records, it reflects that the case was initiated in the year 2019 and because of different accused persons being absent and the systematic day caused, the case has not been committed to the Court of Sessions.

Accordingly, I direct the Id. Magistrate *in seisin* of the matter to take steps for commitment of the case within a period of three months from the date of communication of this order. All the accused persons must ensure their appearance before the Id. JM. So far as the petitioners are concerned, the execution of warrant of arrest so issued be stayed till 20th of December, 2023. If the petitioners surrender by the said date, the Id. Magistrate will allow them to continue with the same bail and bond subject to the condition that once in a week they would meet with the officer in charge/inspector in charge of Nabadwip P.S. till charge is framed by the Id. Sessions Judge. If the petitioners do not surrender by 20th of December, 2023, then, the Id. Magistrate would resort to harsher process of law

With the aforesaid observations, CRR 3879 of 2023 is disposed of.

Pending application, if any, is also disposed of.
