... for the opposite parties

This court does not find any irregularity with the order dated August 18, 2023, passed by the Additional District Judge, Fast Track 2nd Court, Howrah in Title Appeal No.86 of 2022.

It appears that the appellants had prayed for several adjournments and also had not pressed the application for amendment.

Further prayer was made by the appellant that a fresh amendment application be allowed to be filed. Such prayer was also allowed.

If the decree holder has proceeded with the execution, it is upon the petitioner to approach the learned lower appellate court and pray for stay of the execution. Such prayer will be considered in accordance with law.

The revisional application is thus disposed of.

All the parties are directed to act on the basis of the server copy of the order.

Urgent Photostat certified copies of this order, if applied for, be made available to the parties upon compliance with the requisite formalities.
