CO/2961/2013

M/s. Amit Motor Cycle Pvt. Ltd.

The Zonal Manager, M/s. Universal Digital
Connect Ltd. & Anr.

Petitioner is not represented.

None appears on behalf of the opposite parties.

The instant revisional application is preferred challenging the impugned order dated 23.09.2011 passed by the learned Trial Court. This is a long pending matter since 2013. There is reasonable ground to believe that the petitioner has lost its interest to proceed with the present case. So, there is no option left but to dismiss the present revisional application

Accordingly, revisional application being CO/2961/2013 is hereby dismissed for default.

Interim order, if any, stands vacated.

There will be no order as to costs.
