Mr. Arnab SahaFor the petitioner

The application is pending since 2019. The first order was passed on December 13, 2019 and the next on June 23, 2021.

Petitioner requires further time.

The application is for cancellation of anticipatory bail granted by the Sessions Court.

We find no reason to interfere with the impugned order. The learned Judge granting anticipatory bail found that the physical assault and the head injury was suffered by the victim. The case diary did not contain the name of the assailant.

Consequently, the learned trial Judge granted anticipatory bail.

We find no reason to interfere with such order.

CRM 11799 of 2019 is, accordingly, dismissed.
