Susanta Kumar Biswas
Vs.
The State of West Bengal & Ors.

None appears for the petitioner at the time of call. No accommodation has been sought for either. Record reveals that the petitioner was also not represented when the writ petition was taken up on 6th December, 2023.

This is the writ petition of the year 2007. It appears that the petitioner is not interested to proceed with this writ petition any further.

In view thereof, the writ petition stands dismissed for non-prosecution. The application, if any, pending stands disposed of accordingly.
