The petitioners were participant in TET 2014. They want six marks are to be added to their TET 2014 marks.

In this respect one Hon'ble Division Bench of this court has already passed one judgement and order in MAT 1894 of 2018 by which the petitioners are covered and, therefore, they should get six marks which should be added to their marks they already got in TET 2014.

I direct the West Bengal Board of Primary Education to intimate the petitioners total marks after addition of six marks within a period of two weeks and

also to intimate them whether they have qualified in TET 2014 or not.
