Item No. 14

Judgment on: 03.02.2023

BIBEK CHAUDHURI, J. : –

The dispute relates to denial of right to ownership of a co-sharer in respect of ancestral property against other co-sharers. The dispute squarely relates to a civil dispute and efficacious relief lies in the civil Court for the petitioner by filing a suit for declaration, permanent injunction and if necessary partition.

In view of such circumstances, I do not find any merit in the instant writ petition and accordingly the instant writ petition is dismissed.
