WPA/303/2020

**SAMIRAN NESSA
VS
STATE OF WEST BENGAL AND
ORS.**

Mr. Subir Kumar Saha
Ms. Bedashruti Bose

... For the State

The matter has been pending since 2020.

The matter had been dismissed for default on
an earlier occasion and thereafter restored.

The petitioner challenges an order dated 26
June, 2019 passed by the respondent authorities
pursuant to directions of Court.

Briefly, the petitioner was working in the
rank of a Matron in the subject school and retired
on 31 March, 2010. After her retirement from the
said school, the petitioner raised a claim for
pension as well as the retiral benefits and gratuity.
Significantly this claim is raised more than ten
years after her retirement. A representation of the
petitioner has also been considered by the
respondent authorities pursuant to an order dated
4 September, 2019.

In the impugned order the respondent
authorities have given reasons and conclusively

found that the petitioner was not entitled to any of the benefits claimed in the writ petition.

It appears from the impugned order that the submission made on behalf of the petitioner have been duly considered and the respondent authorities have found that the petitioner is not entitled to any benefits under the provisions of ROPA 1981, 1990, 1998 and 2008 or any other provisions of law.

In such circumstances, there is no scope to interfere with the impugned order.

Accordingly, WPA/303/2020 stands dismissed. There shall be no order as to costs.
