The Court:- This application under Section 11 of the Arbitration and Conciliation Act, 1996 has been filed for appointment of arbitrator to resolve the dispute between the parties.

The arbitration agreement is in the form of partnership deed dated 2nd November, 1999.

Learned counsel for the respondent has submitted that the dispute is in respect of induction of the applicant in the partnership after the death of her husband, Santi Ranjan Sengupta, who was one of the partner in the firm. On instruction, learned counsel for the respondent has submitted that the respondent has no objection in taking the applicant in the partnership and, therefore, now the dispute no longer survives.

Learned counsel for the applicant has also readily accepted the offer and has fairly submitted that now the dispute between the parties does not survive.

In view of the above, the application is disposed of.
