Heard.

2. The respondents have been duly served but have not contested the civil application which seeks to bring on record the legal representatives of the sole petitioner with a prayer to condone the delay.

3. For the reasons mentioned in the application and considering the nature of the dispute, when the writ petition is still to be admitted which is filed way back in the year 2019, the application is allowed. Delay is condoned. The LRs are allowed to be brought on record. Amendment to be carried out within two weeks.
