----	-----------	-----------------------	------------

4. In view of the above, these petitions are disposed off with a direction to Respondent No.5 to consider the pending representations and quantify the amounts of retiral benefits to which the petitioners are entitled to, within 60 days from today. Needless to state, if required, these petitioners can be given an opportunity of addressing Respondent No.5 with regard to the calculations of their retiral benefits.

5. After such calculations are made, the admissible amounts shall be paid by the Municipal Council to these petitioners in three equated monthly installments beginning from 5th August, 2023 and last installment would be paid on or before 5th October, 2023. In the event, the petitioners have any grievance about the calculations, they would receive the amounts admissible to the Municipal Corporation, as directed above, without prejudice to their rights to challenge the calculations before the appropriate Forum.
