**CORAM : MANGESH S. PATIL
AND
M. M. SATHAYE, JJ.**

DATED : 14.03.2023

PER COURT : -

1. Learned advocate for the petitioner submits that the order passed by this court dated 06.02.2023 in Writ Petition No. 1349 of 2023 prevented the respondents from concluding the on-going e-auction process. To circumvent the order, a fresh e-tender has been floated and concluded.

2. Accepting the submission at its face value, intentions of the respondents apart, in our considered view, it cannot be said that there is

a wilful disobedience in the sense that the order of this court never prevented the respondents from floating a fresh tender and only prevented it from concluding the ongoing tender.

3. There is no contempt. Petition stands disposed of.
