Heard rival submissions.

The applicant is seeking condonation of delay of 42 days.

The learned AGP strongly opposed the application on the ground that the Review Application itself is not maintainable.

However, to decide the maintainability, delay has to be condoned first. In view of the same and for the reasons

stated in the application, delay of 42 days stands condoned.

The Review Application be registered after removal of office objections, if any.
