DATE : 04.07.2023

PER COURT :

Heard the learned advocate for the petitioners as also the learned AGP and the learned advocate for the respondent Nos.3 and 4.

2. The petitioners are the group of primary teachers aggrieved by the transfer order.

3. When it was pointed out that they have been putting up the individual cause *qua* each of the petitioners in a collected form even without resorting to the modalities provided in the Government Resolution dated 07.04.2021 of approaching the Chief Executive Officer who is supposed to take decision through a committee, making that order further susceptible to an appeal before the Divisional Revenue Commissioner, the learned advocate for the petitioner, on instructions, seeks leave to withdraw the writ petition but requests that though the earlier representations to the Chief Executive Officer were some individually and others collectively, they may be permitted to make fresh representation separately which can be considered and decided on their own merits within a stipulated time.

4. The learned advocate for the respondent Nos.3 and 4 submits that if the petitioners make fresh representations those would be considered on their own merits in accordance with the policy and as stipulated in the Government Resolution dated 07.04.2021.

5. The writ petition is disposed of with liberty to the petitioners to make fresh representations to the respondent - Chief Executive Officer of the Zilla Parishad separately. On such representation being made the CEO shall take appropriate decision in accordance with the policy within the period stipulated in the Government Resolution.
