CORAM : S.G. MEHARE, J.

DATED : JANUARY 23, 2023

PER COURT:-

1. Heard learned counsel for the applicant, learned APP for the State and learned counsel assisting the learned APP.
2. The applicant is a maternal brother of the victim. Two similar crimes are to his discredit. However, the statement of the victim under Section 164 of Criminal Procedure Code is totally against what the prosecution case is. She made no complaint against the applicant except going with him voluntarily. The said statement is recorded after about five months of the incident. The reason best known to the investigation officer, why he/she did not follow the mandate of law recording the statement of the victim immediately under the POCSO Act.

3. Be that as it may, though the applicant has no good past but the Court has to examine the evidence and material on record. The material contradictory statement of the victim is available on record. She did not support the prosecution except going with the applicant. It is a good ground for bail. However to prevent the repetition, certain conditions may be imposed. Hence, the following order :
