DATE : 15th DECEMBER, 2023

ORDER :

The record indicates, earlier distant relations had approached this Court. They got relief. Thereafter parents-in-law approached this Court by filing separate proceedings. They too were granted relief. Now the husband of respondent No.2 is before us. The F.I.R. dates back to May 2018. Charge sheet has already been filed the same year. Charge has also been framed, meaning thereby the trial has commenced. We are, therefore, not inclined to issue notice in the matter. The petition stands disposed of.
