CORAM : ANIL L. PANSARE J.

DATED : AUGUST 4, 2023

P.C.:

1. Remark of registry indicates that after filing present application, the applicant has filed another application bearing No.4540 of 2020. The said has been disposed of on 14th August 2020 by granting anticipatory bail to the applicant. This application is double numbered. According to registry, nothing survives in the application.

2. It appears that the application has been listed since interim application No.1243 of 2021 was filed by the intervener seeking

setting aside the order dated 14th August 2020, passed by this Court and cancel the anticipatory bail granted to the accused.

3. Since the relief has been confirmed finally, interim application ought to have been disposed of. The same now stands disposed of with liberty to the intervener to take steps in accordance with law.
