P.C. :-

The Petitioner seeks directions to the Respondent No.1 to decide his revision application. The Petitioner has not placed before us what is the pendency of revision application before the Respondent No.1 and whether the Petitioner's revision application is the oldest. In the light of this position, we permit the Petitioner to make an application to the Respondent No.1 bringing to the notice and praying to take up his revision application early and if it is not

the oldest, give reasons why it should be given priority. Thereupon, the Respondent No.1 will consider the same and take necessary action.
