P. C.:

Petitioner would submit that Petitioners do not want to continue with the said grievance. They would participate in the development project by executing agreement with the Developer.

been held eligible in the scheme and the rent in their respect has already been deposited by the developer with S.R.A. That said six eligible Petitioners can withdraw the same from S.R.A. So far as other six Petitioners, who are yet to prove their eligibility, he would submit that immediately upon said six Petitioners proving / establishing their eligibility, the Developer would deposit the rent in their respect with effect from the date of taking their possession of the structures.

3. Mr. Khandeparkar would further submit that Developer is willing to execute agreement for permanent alternate accommodation with the eligible Petitioners at par with other eligible slum dwellers within two weeks from today. He would submit that such agreements can be executed with the other Petitioners within two weeks from the date of establishment of their eligibility.
