

Dhareppa Dhondappa Anjutagi .. Applicant
Versus
State Of Maharashtra And Anr .. Respondent
...

CORAM: BHARATI DANGRE, J.
DATED : 1st NOVEMBER, 2023

“(ii) After his release from jail, Appellant shall not enter jurisdiction of Mandrup Police Station till conclusion of trial except for attending concerned Police Station till conclusion of trial except

for attending concerned Police Station as has been directed hereinafter;”

2 The counsel for the applicant seek relaxation from the said condition as according to him this is causing great inconvenience. Apart from this, his submission is that the complainant do not reside in jurisdiction of Mandrup Police Station and in fact he is resident of Karnataka.

I have even heard the learned counsel for the respondent no.2 and the submission is specifically denied by him. It is his specific submission that the complainant has a shop there and he continue to run the shop.

3 The imposition of the above condition is in the specific background, which is recorded in paragraph no. 6 of the order, which reads thus:

“6. Learned advocate appointed to represent Respondent no.2, on instructions, submitted that, close relatives of Appellant are administering threats to him and his brother for either compounding the offence or settle the issue otherwise Respondent no.2 will have to face serious consequences. He therefore submitted that, Appellant may not be released on bail.”

In the wake of the above, since not a long period has elapsed, when the applicant was put to the condition and the liberty was secured for him by order dated 2/02/2023, I see no justification for him, wriggling out of it.

Merely the ground that he has three women dependent upon him, cannot justify the modification of the condition as the applicant was much conscious of this scenario on 2/2/2023 also, but when the question came of he being

conferred with the liberty, he agreed to the said condition and now he cannot seek its modification, without any justifiable ground.

For this reason, the Interim Application is rejected.

(SMT. BHARATI DANGRE, J.)
