3. There are in all 4 accused. The applicant is the accused no. 3. The applicant was arrested on 17/05/2023. The date of the incident is 16/05/2023. It is alleged that the main accused Saddam Shaikh had some dispute with the sister of the informant. To resolve the dispute, the victim

was called by the prime accused Saddam Shaikh. The informant was made to consume liquor whereafter he was taken in a car. The applicant along with other accused were present in the car. It is alleged that the informant was kidnapped at a gunpoint. A revolver was recovered from the prime accused Saddam. It is alleged that the informant was assaulted. The informant suffered simple injury. The informant jumped from the speedy vehicle and escaped.

4. Learned APP opposed the application for bail. Learned APP submitted that the informant has identified the present applicant. In the facts and circumstances of the present case, in my opinion, the applicant can be enlarged on bail considering the role of the present applicant. The informant had suffered simple injury. The applicant will face the consequences of trial. The investigation is complete. The charge-sheet has been filed. There are no criminal antecedents reported against the applicant. The applicant is in custody for almost 7 months. There is nothing on record to show that the applicant is a flight risk. In the facts and circumstances of the present case, I am inclined to enlarge the applicant on bail. Hence, the following order :-
