(VACATION COURT)**

DATED : MAY 9, 2023.

PC. :

1. The limited grievance raised in the Petition is that the Municipal Corporation (planning authority) is intending to take possession in excess of area specified in the award passed under section 36 of the Act. The learned Advocate appearing for the Respondent No. 4 states that possession under section 38 of the Act shall be restricted to the portion, which is the subject matter of the award under section 36 of the Act. In that view of the matter, nothing remains for adjudication in the Petition. Hence, the Petition is disposed of accordingly.
