P C:

1. Learned counsel for respondent No.3 informs the Court that the present petition is rendered infructuous inasmuch as a decision has already been taken by the Appellate Committee as is reflected in the minutes recorded on 20th March 2019. It is stated that since this was the only relief prayed for by the petitioner in the petition, nothing further survives in the petition.

2. Be that as it may, the petition is disposed of as having been rendered infructuous.
