DATED: 24th April 2023

PC:-

1. We see no reason why we should have to entertain these applications at all. The Applicants gave certain immovable properties as security until the time that they made their pre-deposits which are to be 100% now following orders of the Allahabad High Court and confirmed later by the Supreme Court. The appellate order of pre-deposit was self-operative. Since the Petitioners were late, they could not make the deposit and their immovable properties have continued as securities. Hence, these five Applications. All of them could as well have been made to the appellate authority.

2. We direct the Applicants to deposit the respective Demand Drafts in the appeals for the full amount of the pre-deposit with

interest, if any, ordered up to date before the 2nd Respondent and we direct the 2nd Respondent to accept the Demand Drafts in full satisfaction of the requirement of the 100% pre-deposit. This is to be done by Friday, 28th April 2023. The shops will stand released from security only once the Applicants have filed an Affidavit before this Court evidencing the pay in to the 2nd Respondent of the full amount of the pre-deposit. Upon that Affidavit being filed with the necessary proof of payment, the orders of 6th May 2022 and 7th July 2022 taking the four shops as security will stand modified to that extent and those shops will thus be released from security.

3. The applications are disposed of in these terms.
4. All contentions in the appeal are specifically kept open.
