CORAM : ANIL L. PANSARE J.

DATED : 20-12-2023

By present application, the applicant is seeking time to file certified copy. When asked, learned counsel for the applicant is unable to state as to how much time she will take to file certified copy. She says that she will have to take instructions.

2. The application has been filed on 1-7-2022. The certified copy has been not filed till today. Further, learned counsel for the applicant is not in a position to inform as to how much time will it take to file certified copy. In the circumstances, it is apparently clear that the applicant is not diligent in the matter. The application is accordingly rejected.

3. If certified copy is not filed within seven working days, the revision shall stand dismissed for non-

compliance of order without further reference to the Court. If the certified copy is filed within seven working days, list the application for further consideration after Christmas Vacations.
