With the consent of both the parties, this writ petition is taken up for final disposal at the admission stage itself.

benefit, had already put the retired employee to serious prejudice, entertaining the present request for disbursement of the interest on the belated payment in installments, could cause further prejudice to the retired employee. 6. In the light of the above observations, there shall be a direction to the respondent /Corporation to pay the penal interest at the rate of 6% per annum on the belated payment of the retirement benefits for the period from the date of the retirement, till the date of actual disbursement, as expeditiously as possible and in any event, not before the expiry of three months from the date of receipt of a copy of this order."

4. This Court is of the view that the first respondent could be directed to pay the interest on the belated payment, at the rate of 6% per annum, as ordered in the above Writ Petition.

5. In the light of the above findings, there shall be a direction to the first respondent herein to pay the interest on the belated payment of the terminal benefits to the petitioner at the rate of 6% per annum, commencing from the date of his retirement, till the date of actual
