ORDER

The petitioner's father – R.Sundaramoorthy, who was working as Senior Technician Grade-II Mechanical in the respondent corporation, died on 07.02.2003, while he was in service. After a lapse of 12 years, an application was made seeking appointment to the petitioner on compassionate ground on 31.03.2015. That application is hopelessly barred by time, which was rightly rejected by the respondent corporation. I do not feel that there is any necessity to interfere with the impugned order.

In the result, the writ petition is dismissed. It is, however, open to the petitioner to seek for any other relief, if his family is entitled to, on approaching the authority. No costs.
