**ORDER**

The Writ Petition has been filed in the nature of Mandamus seeking a direction against the respondents forbearing them from collecting current consumption charges, demand charges and any arrears from the petitioner's HTSC No. 039094380468 till the entire outstanding dues of Rs.10,00,000/- payable to the petitioner along with interest towards refundable security deposit in the account of the petitioner's Solar Power Plant HTSC No. 059434500021 is paid or given adjustment in the current consumption charges payable by the petitioner till the entire amount is adjusted.

2. In the affidavit filed in support of the Writ Petition, it had been stated that the petitioner has a Solar Power Plant bearing Solar HTSC No. 059434500021. It is under the jurisdiction of the third respondent / the Chief Engineer, Non-Conventional Energy Sources, TANGEDCO, Chennai. It is stated that electricity is produced from the Solar Power Plant. The said electricity is also supplied to the respondents. It is stated that the petitioner had applied by letter dated 01.07.2016 for establishment of the said Solar Power Plant. Security Deposit of Rs.5,00,000/- was paid on 02.08.2016 and

another sum of Rs.5,00,000/- was paid on 27.08.2016. The plant was also commissioned. This was also informed. The petitioner claims refund of the refundable Security Deposit of Rs.10,00,000/- paid. It is stated that the respondents had not refunded the amount. The respondent has been collecting the current consumption charges and had also demanded charges and arrears from the petitioner herein. The petitioner seeks adjustment of the refundable Security Deposit with the current consumption charges.

3. I am informed that there are several orders by learned Single Judges of this Court passed in this regard. A perusal of the same reveals that directions have been given to adjust the refundable Security Deposit, in this case, Rs.10,00,000/-, with the current consumption charges. Though the petitioner had sought that such adjustment to be made with interest at Rs.10,00,000/-, that request is not granted. The sum of Rs.10,00,000/- paid as a Security Deposit alone shall be adjusted with the current consumption charges from the next consumption bill raised by the second respondent herein. Till the adjustment is over, the petitioner should not suffer any order of disconnection.

4. The Writ Petition stands disposed of. No order as to costs.

Consequently, connected Miscellaneous Petition is closed.
