3. The petitioners had given a joint representation dated 01.11.2022 to the respondents seeking for cancellation of the registered sale deed. Since the said representation was not considered, the present Writ Petition has been filed.

4. It is needless to point out that whenever a representation of this nature is made to a Statutory Authority, there is a duty cast upon the respondents to consider the same on its own merits and pass appropriate orders in one way or other, instead of keeping the same pending indefinitely. As such, non-consideration of the representation by the Statutory Authority would amount to dereliction of duty and hence, this Court will be justified in invoking its extraordinary powers under Article 226 of Constitution of India and direct them to consider the same within a stipulated time.

5. In the light of the above observations, there shall be a direction to the first respondent herein to consider the petitioners' representation dated 01.11.2022, in accordance with the procedure contemplated under

W.P.No.7549 of 2023

Section 77A of the Registration Act, after giving due opportunity to the persons who had executed the sale deed, as well as the beneficiaries and the witnesses to the deed of conveyance and any other persons who may be interested in the subject property, within a period of eight weeks from the date of receipt of a copy of this order. It is made clear that this Court has not expressed any of its views with regard to the merits of the claim made by the petitioners and that it is open to the concerned respondent to consider the same on its own merits.

6. With the above direction, the Writ Petition stands ordered. No costs.
