This petition has been filed by the petitioner, seeking to suspend the sentence of imprisonment passed by the learned Principal Sessions Judge, Vilupuram vide judgment dated 09.02.2023 in S.C.No.225 of 2020 and set him at liberty by granting bail, pending disposal of the appeal.

2. When the matter is taken up, the learned Addl.Public Prosecutor appearing for the respondent would seriously oppose the petition and submit that the petitioner administered 7 Up cool drinks mixed with pesticides to both of his daughters and killed 2nd girl by strangulation and caused grievous injuries to the 1st girl and he also attempted to commit suicide and no case is made out to suspend the sentence.

3. On a perusal of the impugned judgment, it reveals that the trial Court, on consideration of both oral and documentary evidence adduced by the prosecution, found the petitioner guilty of the offences under Sections 304(i), 307 and 309 IPC and sentenced him to undergo 10 years, 7 years and 3 months simple imprisonment respectively. It is established by the prosecution that the petitioner caused the death of his daughter and also he attempted to commit suicide. This is due to heavy debts incurred by the petitioner, which he was unable to repay the same. I do not find any ground to suspend the sentence. Accordingly, this petition is dismissed.
