3. The learned counsel for the petitioners would submit that the petitioners are innocent persons and they have not committed any offence as alleged by the prosecution and that the petitioners have purchased 1/4 unit of river sand for their personal use and a false case of sand theft has been fabricated against them. petitioners have no previous case against them and without prejudice to their contention, the petitioners are prepared to deposit an amount of Rs.5,000/- towards any charitable organization or association. Therefore, he prays for grant of anticipatory bail to the petitioners.

4. The learned Government Advocate (Criminal Side) for the respondent would submit that the quantity of River Sand involved is 1/4 unit. However, he vehemently opposed to grant anticipatory bail to the petitioners.

5. This Court in a batch of petitions in Crl.O.P.No.13334 of 2020 dated 03.09.2020 had dismissed the earlier petitions expressing the opinion that the offenders despite several orders passed by various Benches of this Court regarding illegal sand mining and knowing fully well about the evil consequences affecting the environment and society at large and the implications thereon are indulging in the offences of illegal quarrying/mining, theft and smuggling of sand and minerals and that finding that the case comes under the category of cases of large

magnitude affecting and impacting livelihood of a very large number of people knowingly and unknowingly, had dismissed the earlier petitions.

Subsequently, the order of this Court in Crl.O.P.No.13334 of 2020 etc batch dated 03.09.2020 was clarified by the Hon'ble Supreme Court and the Hon'ble Supreme Court had not agreed with the broad sweep of the observation made by this Court in Paragraph 27 of the order in Crl.O.P.No.13334 of 2020 and connected matters decided on 03.09.2020 and had directed that the role assigned to the person would have to be considered on case to case basis.

6. It is the case of the petitioners that the quantity is minimum intended for their personal use and that they have no previous case, however in order to curb the illegal sand mining activities and taking into consideration the voluntary submission made by the petitioners offering to deposit a considerable amount to any charitable organization or association, this Court is of the opinion that the petitioners may be directed to deposit a sum of Rs.5,000/- (Rupees Five Thousand only) to credit of the concerned District Mineral Foundation Trust, without
