2. The learned counsel for the petitioner submitted that the petitioner's land was acquired by the Government in the year 1983 and a sum of Rs.350/- was paid per cent, against which, the petitioner has given a representation dated 19.03.2018 before the third respondent seeking for enhancement of compensation at the rate of Rs.1,050/- per cent. However, the third respondent has not considered the same till date and hence, the present Writ Petition has been filed by the petitioner.

3. Though the present writ petition is pending for five years, neither the third respondent considered the said representation nor did he file a counter affidavit before this Court, which clearly shows the lethargic attitude of the respondents. To be noted, the respondents should remind themselves that they are serving only for public and by simply sitting in the Government office and getting salary from the tax paid by the public, they are not serving to the needy public.

4. However, by considering the limited scope of the matter and having

regard to the submissions made by the learned counsel on both sides, this Court, without going into the merits of the case, directs the third respondent to consider the representation of the petitioner dated 19.03.2018 and pass appropriate orders on merits and in accordance with law, after giving notice to all the interested parties, within a period of two months from the date of receipt of a copy of this order.

5. With the above directions, this Writ Petition is disposed of. There shall be no order as to costs.
