3. It is the case of the petitioners that they are the residents of Pimbalur Village wherein, they are carrying out agricultural activities in their respective agricultural lands. On the representations made by the petitioners, proceedings dated 04.11.2022 came to be passed by the 1st respondent directing to construct the drainage system from the Palaiya Maravanatham Pandiyan House to River side Pimbalur Panchayat for which, a sum of Rs.11,25,000/- was also sanctioned by the 1st respondent. However, in contrary to the proceedings of the 1st respondent, as per the instructions of the 3rd respondent, steps are being taken up for laying down an absorption pipeline in the agricultural water canal. Hence, this Writ Petition.

4. Though very many grounds have been raised, learned counsel for the petitioner submits that it would suffice if this Court issues a direction to the 3rd respondent herein to implement the proceedings dated 04.11.2022 passed by the 1st respondent and utilize the amount as per the said proceedings.
