3. The learned counsel appearing for the petitioner would submit that though very many grounds have been raised in the present Writ Petition, it would suffice, if this Court may issues a direction to the fourth respondent to consider the petitioner's application dated 17.02.2023 and pass appropriate orders, within a time frame that may be fixed by this Court.

4. The learned counsel appearing for the respondents would submit that the petitioner has already owned the service connection in which there was an arrear for consumption charges and apart from that the petitioner has filed another application and the application did not contain any relief. However, the petitioner's application will be considered in the manner known to law.
