Crl.O.P.No.7877 of 2023

A.D.JAGADISH CHANDIRA, J.

The petitioner who apprehends arrest at the hands of the respondent police for the offences punishable under Sections 379 and 430 of IPC in Crime No.69 of 2023 on the file of the respondent police, seeks anticipatory bail.

2. The case of the prosecution is that on 18.03.2023, while the Sub Inspector of Police attached to the respondent police station along with his police party was on regular patrol duty, found the petitioner illegally transporting 1/4 unit of river sand in a Bullock Cart and on seeing the police, he ran away from the spot. Hence the complaint.

3. The learned counsel for the petitioner would submit that the petitioner is an innocent person and he has been falsely implicated in this case. He would further submit that on the date of occurrence, the petitioner was transporting only rough sand which is a waste sand taken from a construction site and that the respondent police without appreciating the same, registered a false case against the petitioner.

However, without prejudice to his rights and contentions, the petitioner is prepared to deposit an amount of Rs.5,000/- towards any charitable organization or association. Therefore, he prayed for grant of anticipatory bail to the petitioner.

4. The learned Government Advocate (Criminal Side) appearing for the respondent submitted that the petitioner had transported 1/4 unit of river sand without any valid permit from the Government by using a Bullock Cart. Hence, he vehemently opposed to grant anticipatory bail to the petitioner.

5. This Court in a batch of petitions in Crl.O.P.No.13334 of 2020 dated 03.09.2020 had dismissed the earlier application expressing the opinion that the offenders despite several orders passed by various Benches of this Court regarding illegal sand mining and knowing fully well about the evil consequences affecting the environment and society at large and the implications thereon are indulging in the offences of illegal quarrying/mining, theft and smuggling of sand and minerals and that finding that the case comes under the category of cases of large

magnitude affecting and impacting livelihood of a very large number of people knowingly and unknowingly, had dismissed the earlier applications. Subsequently, the order of this Court in Crl.O.P.No.13334 of 2020 and etc batch dated 03.09.2020 was clarified by the Hon'ble Supreme Court and the Hon'ble Supreme Court had not agreed with the broad sweep of the observation made by this Court in Paragraph 27 of the order in Crl.O.P.No.13334 of 2020 and the connected matters decided on 03.09.2020 and had directed that the role assigned to the person would have to be considered on case to case basis.

6. It is the case of the petitioner that he had only transported rough sand which was taken from a construction site, however in order to curb the illegal sand mining activities and taking into consideration the voluntary submission made by the petitioner offering to deposit a considerable amount to any charitable organization or association, this Court is of the opinion that the petitioner may be directed to deposit a sum of Rs.5,000/- (Rupees Five Thousand only) to the credit of the concerned District Mineral Foundation Trust, without prejudice to his rights and the contentions before the trial Court.
