3. I have considered the arguments made by the learned Counsel for the applicants. This Court, after considering the averments made in the original petition and also the evidence that was recorded in the case had held that the applicants herein had made out a case for grant of letters of administration of the property of the deceased R.Jeyalakshmi. Now, an offer had been received by the applicants from the third party which according to them is a very attractive offer. I find no reasons as to why their application should not be allowed.

4. Accordingly, the application is ordered as prayed for. The applicants are permitted to sell the Judge's summon schedule mentioned property.
