2. It is submitted by the learned counsel for the petitioner that the plaintiff has filed a suit for declaration of title against the defendants and it is pending and posted for trial from time to time and not being disposed of. The petitioner has filed a copy of the docket proceedings which go to show that the matter was earlier posted for trial in the year 2018 itself. Subsequently, the Additional written statement stated to have been filed and the matter was again brought under the stage of trial. In the mean while the Interlocutory Application was filed in 2020 and again from March 2022, the matter is being posted for trial from time to time.

3. It is surprising to note that there is no progress and the trial could not be commenced by the trial Court since March 2022. The suit has been filed about more than 10 years ago. Nothing can be gathered from the records as to the reason for delay in not commencing the trial from March 2022 onwards.

C.R.P. No.1621 of 2023

4. Considering the circumstances, this Civil Revision Petition is

disposed of by giving the following direction:

The learned District Munsif, Sankarapuram is directed to expedite the trial of this case and dispose of the same as quickly as possible not later than six (6) months from the date of receipt of the copy of the order. No costs.
