(The order of the Court was made by V.LAKSHMINARAYANAN,J.)

The petitioner seeks for Writ of Certiorari to call for the record from the file of the Tamilnadu Pollution Control Board in Proceedings No.TNPCB/T1/F.006058-7/SLM/Closure/Air/2023-3 and Proceeding No. TNPCB/T1/ F.006058-7/SLM/Closure/EB/Air /2023-4 dated 03.04.2023 and to quash the same.

2. The case of the petitioner is that they are manufacturers of fly ash bricks. According to them fly ash bricks comes under non polluting “white category” industry. Therefore, he would state that the order of closure is wrong and it has to be interfered with.

3. Mrs.Shanmugavallisekar, the learned Standing counsel for the Tamilnadu Pollution Control Board will bring to our notice section 17(1)(e) of the Air (Prevention and Control of Pollution) Act, 1981. Under the said provision, the Air Pollution Board has been empowered to give such direction to such persons in order to provide for the **prevention, control or abatement of air pollution**. According to her, a direction that have been

given by the respondent is only to prevent the air pollution that takes place during the manufacturing process of fly ash bricks.

4. When this was pointed out to Mr.T.Sai Krishnan,the learned counsel appearing for the writ petitioners, he would state that they require three months time for the purpose of complying with the directions that had been given by the Tamilnadu Pollution Control Board. Therefore, while upholding the power of the Pollution Control Board to give a direction so as to prevent pollution from taking place, we grant the petitioners three months' time from today to comply with the norms and conditions that have been imposed by the Pollution Control Board for the purpose of prevention of air pollution. For the period of three months, the petitioners shall continue to indulge in business. It is made clear, in case, if the petitioners do not comply with the directions of the Pollution Control Board at the end of three months (05.12.2023) and install pollution prevention measures as suggested by the respondent Board, the Board is at liberty to invoke its powers under section 31A of the Air Act and Section 33A of the Water Act and take appropriate steps to prevent further pollution taking place.
