Petitioner, who is the mother of XXX (we are masking the name for obvious reasons and we shall be referring to the petitioner's daughter as 'absentee') lodged a complaint with the second respondent stating that her daughter studying in class 10 was found missing from 18.04.2023.

2. Learned Additional Public Prosecutor submits that on the complaint of the petitioner, a case in Crime No.484 of 2023 has been registered for 'girl missing'. Thereafter, all steps have been taken to find out missing girl. In the meanwhile, the absentee had appeared before the second respondent police on her own on 27.04.2023 and finding that she is a minor, she was produced before the Child Welfare Committee, Thiruvallur who had passed the residential order directing to keep her in Sevalaya, Kasuva Village, Pakkam Post, Thiruninravur and the petitioner was also informed about the same.

3. Today, the petitioner, her husband as well as the absentee are present before this Court.

4. We had interaction with the petitioner as well as the absentee. On enquiry, the absentee said that she had not written her examinations properly and therefore gone to her aunt's place and later on coming to know about the complaint, she appeared before the second respondent police. Now the petitioner is willing to take the absentee with her and the absentee is also willing to join her mother. The primary concern of the petitioner is that the absentee should continue her education. It is also the intention of the absentee.

5. In view of the above, this habeas corpus petition is closed.
