2. The learned Additional Government Pleader appearing for the respondents 3 and 5 has brought to the notice of this Court that the Tahsildar has already initiated action and in the process of conducting an enquiry. It is further contended that the subject property has been endowed under the provisions of the Hindu Religious and Charitable Endowments Act. In this regard, the Temple also has filed their objections and that the issues are in the process of enquiry.

3. The writ petitioner has earlier filed writ petition in W.P.No.4506 of 2021, seeking the very same relief as such sought for in the present writ petition. This Court had earlier passed an order dated 01.03.2021, directing the authorities to pass appropriate orders.

4. Repeatedly filing writ petitions with the same relief cannot be appreciated nor entertained by this Court. However, in the present case, the jurisdictional Tahsildar has already commenced the enquiry and therefore,

he is expected to complete with the same and pass appropriate orders on merits and in accordance with law.
