Thiruvallur to Vellore and subsequently, he was transferred to Villupuram and on 13.05.2023, he was transferred to Tuticorin.

“After careful consideration, the Government direct that a government employee who is a caregiver of dependent daughter/son/parents/spouse/ brother/ sister with specified disability, as certified by the certifying authority as a Person with Benchmark Disability as defined under Section 2[r] of the Rights of Persons with Disability Act, 2016 may be exempted from the routine exercise of transfer, subject to the administrative constraints, during the transfer

period namely, between the 1st April and the 31st May, every year. This exemption is however subject to the following conditions :

i. A Government Servant must be a caregiver of differently abled dependent such as daughter/son/parents/spouse/brother/sister.

ii. A Government Servant who is a caregiver of differently abled dependent should furnish a certificate, certified by the certifying authority that the dependent is a person with Benchmark Disability as defined under Section 2 [R] of the Rights of Person with Disabilities Act, 2016.

By the impugned Order, the petitioner was transferred from Villupuram to Tuticorin and the same was put to challenge before the learned Single Judge, who had refused to grant an interim Order as against which the present appeal has been preferred.

6. We have carefully gone through the Government Order and we are satisfied that the Government Order has been passed to help the disabled officers, who are care givers for the persons, who are suffering from disability. The Order itself states that the person must be a care giver of differently abled dependent such as daughter/son/parents/spouse/brother/sister. The petitioner comes under these categories and the certificate has also been produced by him and he has also satisfied the requirements of Section 2 [r] of Rights of Person with Disabilities Act, 2016. The Order of transfer of a care giver from Villupuram to Tuticorin is contrary to the Government Order. The objections of the learned Special Government Pleader that the transfer being incidental in service of a Government Servant does not appeal to us in the light of the aforesaid Government Order passed by the Government.

7. Accordingly, the Writ Appeal is allowed by setting aside the
