first year examination which was held in the month of April 2023 and she completed her first year. In the meantime, due to family circumstances, the petitioner's entire family shifted to Chennai. While the petitioner was shifting to Chennai, it is impossible for the petitioner's daughter to continue her studies in the second respondent College. Therefore, the petitioner made a representation before the second respondent on 09.05.2023 seeking issuance of transfer certificate and other educational certificates which were submitted at the time of admission. Since the second respondent College assured to issue the required certificates, the petitioner admitted her daughter in another college. Even thereafter, the second respondent College has not returned the certificates to the petitioner, thereby, the petitioner made another representation dated 01.06.2023 before the respondents. Since the same was not considered, the petitioner has filed the above writ petition before this Court for appropriate directions.

4. The learned counsel for the petitioner submits that, during the pendency of this writ petition, the second respondent College returned all the certificates except the Secondary School Leaving Certificate (S.S.L.C.) to the petitioner. Accordingly, he prays for appropriate orders.
