4.In the light of the allegations made in the First Information Report against the first accused and other accused, the fact that First Information Report was registered only on 03.06.2023, it is too early to come to conclusion that petitioners have no role in the alleged criminal act committed by the first accused. The role of the petitioners as to whether they are innocent and genuine attestors or they also form part of larger conspiracy in executing a sale deed in favour of first accused is required to be investigated. This is too early to consider the anticipatory bail petition for petitioners.

5.Accordingly, this Criminal Original Petition is dismissed.
